Reference: PS Docket No. 07-114, CC Docket No. 94-102, and WC Docket No. 05-196

Dear Ms. Dortch:

On May 29, 2008, I represented u-blox America, Inc ("u-blox") in a meeting with Ronald Repasi and James Miller of the Office of Engineering and Technology, Paul Marrangoni of the Public Safety and Homeland Security Bureau, Chip Fleming of the International Bureau, and Ziad Sleem of the Wireless Telecommunications Bureau. During the meeting u-blox presented information about its GPS products & technology and responded to questions about GPS performance indoors, GPS antennas, hybrid positioning technologies and the issues which impact the performance and accuracy of GPS receivers. Product data sheets and an overview of the EMILY hybrid positioning program will be submitted in soft copy.

Pursuant to Section 1.1206(b)(2) of the Commission's rules, I am filing this notice electronically in the above-referenced dockets. Please contact me directly with any questions.

Regards,
